

# HAVANA

---

The Havana Rocker is styled on traditional homestead rockers with wide armrests, a broad forgiving back cushion and attached headrest. The crescent-shaped back is supported by vertical Palmwood blades, resembling a silk folding fan.

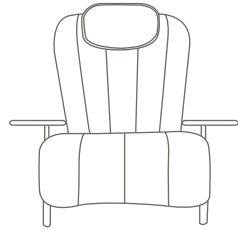

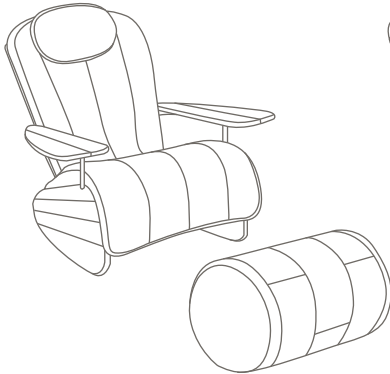

Havana is a natural comfortable product. The experience is completed with the optional footroll; the two pieces are designed to "rock and roll" together for total relaxation. Upholstered in soft sensual A-grade leather.

The chair also comes in a fixed (non-rocking) version.
